Change to Sign-In Experience

A change is coming to the sign-in experience for some sites.

In an effort to unify our users' sign-in experience, and provide better overall security, Technology Services will be making changes to the authentication method for a number of sites and services. Beginning on May 28th, users will no longer be presented with the "CAS" sign-in page, and will instead be directed to the new SSO sign-in page, also referred to as "ADFS". The only change will be the sign-in page itself; users will continue to use their TigerNetID credentials as usual. Below is a short list of some affected sites. If you have any questions or concerns, or experience any sign-in issues after this change, please contact TigerTech at 628-3478.

- Blackboard
- Gmail
- Network registration pages
- TigerTracks
- TigerCentral
- TigerEnroll
- Library (Ezproxy and Exlibris)
- T2 parking permit system

Donations for Senegal Study Abroad

This summer nine FHSU students will be traveling to Senegal, Africa for a study abroad trip. This trip investigates how the environment, policy, and human health are linked. The trip will be occurring this summer directly after the semester ends May 23–June 4. We will be conducting a service learning activity and we will be visiting a new grade school setup by a group of Drs. that will also be talking to our pre-health students.

As part of this activity we are collecting donations of school supplies, clothes, and easy to pack sports equipment (blow up balls, frisbees, etc.) for 6-11 year olds. If you wish to donate you can bring the supplies to Albertson Hall 303. The last day for donations is Monday, May 20th by 4:30 so that we can get them packed into a suitcase to take with us.

Questions please contact Mitch Greer (mjgreer@fhsu.edu)

Thank you for your support.

Financial Aid False Statement on Facebook

Recently it came to the attention of the Fort Hays State University Financial Assistance Office that a false statement has been circulating around Facebook. The post, sponsored by Greater Outlook, and titled *FORT HAYS STATE UNIVERSITY has given APPROVAL for COMPLETE FORGIVENESS to all FORMER STUDENTS. Last Day to Sign Up*, they include a picture of a Fedloan Servicing document that shows the Current Principal Balance as \$0.00. Our office is reaching out to you to let you know that **this post is a scam**. Fort Hays State is not forgiving any loans. The University has contacted Facebook to let them know about the issue, and it seems that the post has been removed. However, it may reappear and we want you to be informed.

Your federal student loan information can be viewed by logging into NSLDS at https://nslds.ed.gov/nslds/nslds_SA/, using your FSA ID username and password. All other loan information can be accessed by contacting your lender. If you have any questions, please feel free to contact the Financial Assistance Office at (785) 628-4408 or by email at www.fhsu.edu/finaid.

Ceramics Course Offerings

Want to Add some Clay Action to your Fall 2019 Schedule?

Explore the New Atmosphere of Ceramics in the Center for Art and Design

If Hands-On Learning in a Dynamic Collaborative Atmosphere is for you, consider enrolling in:

Art 260 Ceramics I

Explore the broad foundation of Ceramics in Creation Stations, then go in-depth and use your new skills to express yourself during the Deep Studio sessions. Learn about clays, forming and glazing techniques, load and fire your own work. This class is designed for the student seeking an elective that can lead to a creative outlet or those who want to use ceramics in their studio or classroom career. Students from all majors and art concentrations are welcome.

Art 360 Ceramics II

Making Art Pots with a focus on vessel forms and expressive surfaces will teach the basics of throwing on the potter's wheel and a variety of surface techniques that involve drawing, painting and printmaking. Learning to respond to a 3D form with artistic marks and color allows for a range of expression from abstraction to narrative. Pre-requisite can be waived for non-Ceramic majors.

Art 460 Ceramics III

Advanced Ceramics students will design and create their own personal projects. As a group, we will create forms and surfaces intended for atmospheric glazing in our new soda kiln, explore mold making and slip casting, create glazes using the fusion method and design an ideal ceramics studio.

Workshop in Building a Soda Kiln with Ted Neal

September 13 – 16 and September 27 – 30. Visiting Master Kiln Builder, Ted Neal will lead participants in building a soda kiln. The final weekend will involve test firing the kiln.

You are invited to help us fill our new labs with an atmosphere of creative play and artistic achievement. Let's get muddy!

Please contact Linda Ganstrom at lmganstrom@fhsu.edu if you have questions.

Piece-of-the-Pie Scholarship

Please share with students and student employees, or consider gifting this opportunity to your student workers:

Students can win the Piece-of-the-Pie scholarship for the 2019 – 20 academic year by purchasing tickets. Criminal Justice Club members are selling tickets for the half-and-half scholarship until May 13, and all FHSU students can win. The more tickets sold, the more the scholarship is worth. Tickets can be purchased for 1/\$1.00, 6/\$5.00, or 13/\$10.00. There are several ways to purchase tickets, including: 1) stop by the Department of Criminal Justice in Rarick 233; 2) email tjlynn@fhsu.edu to request tickets; 3) visit the Criminal Justice Club's booth at the UAB carnival on April 27, where each game played equals one entry for the scholarship; or 4) look for members outside of Starbucks in the Union on May 1 and 2.

If every on-campus student bought just one ticket, one lucky student would win a scholarship of more than \$2000. Online students are also eligible to win. The winner will be notified Monday, May 13. The scholarship will be received through FHSU Foundation, as with any other scholarship.

Do not delay; get your tickets today!
